

AN AMENDMENT OR AMENDMENTS TO ORDINANCE NO. 95-5-1  
(AN ORDINANCE ESTABLISHING AND REVISING RULES, RATES,  
PROCEDURES REGULATIONS AND STANDARDS FOR THE OPERATION OF  
THE SANGAMON VALLEY PUBLIC WATER DISTRICT IN CHAMPAIGN  
COUNTY, ILLINOIS)

August 18, 2005  
Changes to be effective January 1, 2006

The **ORDINANCE** is amended as follows:

SECTION 5 – EXTENTION OF WATER MAINS & SEWER

**5.1 Requirements for Extension**

**Currently READS:**

The District must approve all plans and specifications for any extensions. Before any extensions are installed, the plans and specifications must be reviewed and approved by, and a permit obtained from the State Environmental Protection Agency, or other agencies having jurisdiction thereof. Ownership, rights-of-way, and title must be conveyed to the District for all extensions installed. The District will maintain the mains thereafter.

No extension will be permitted if in the opinion of the District, the system does not have the necessary capacity to serve the proposed extension. The total cost of all water main extensions, and/or sewer extensions shall be borne by the person(s) requesting the extension, unless it is determined by the Board of Trustees that it is to the benefit of the District as a whole to participate in some manner in the construction of the extension.

The review and approval of the District will pertain only to the matters of water and wastewater extensions which will be dedicated to the District upon approval and acceptance.

## AMEND SECTION 5 - EXTENTION OF WATER MAINS & SEWER

### 5.1 Requirements for Extension

#### **Amended to READ:**

The District must approve all plans and specifications for any extensions. *The developer or party requesting the extension shall be responsible for the cost of any engineering review necessary for the District to approve the plans.* Before any extensions are installed, the plans and specifications must be reviewed and *also* approved by, and a permit obtained from the State Environmental Protection Agency, or other agencies having jurisdiction thereof. Ownership, rights-of-way, and title must be conveyed to the District for all extensions installed. The District will maintain the mains thereafter.

No extension will be permitted if in the opinion of the District, the system does not have the necessary capacity to serve the proposed extension. The total cost of all water main extensions, and/or sewer extensions shall be borne by the person(s) requesting the extension, unless it is determined by the Board of Trustees that it is to the benefit of the District as a whole to participate in some manner in the construction of the extension.

The review and approval of the District will pertain only to the matters of water and wastewater extensions which will be dedicated to the District upon approval and acceptance.
