8. BUSINESS:

A. Chairman's Report – Cameron Wygant

Chairman Wygant announced that the annual 10% rate increase will be implemented in the next billing cycle. He reported on his recent meeting with Representative Chapin Rose regarding the Mahomet Aquifer. The discussion centered on proposed CO2 projects and their potential connection to SVPWD's Northward Expansion Project. Representative Rose requested SVPWD Board Trustees to address the County Board on these matters. Chairman Wygant volunteered to speak and will extend the invitation to other trustees. During the meeting, funding was discussed, and the Chairman confirmed \$115,000 in remaining ARPA funds available for the Northward Expansion Project. Additionally, Chairman Wygant reported that Martin Hood will conduct the 2023 and 2024 audits in March and April 2025, working with previously appointed Board Treasurer Lisa Lehnert.

B. Donohue Project Status Report – Terry Boyer

1. **Briarcliff WMR Design** - Stark will monitor erosion control over the winter and finalize restorations in the spring. They have a 1-year warranty on all restoration work through fall of 2025. Donohue is working on Record Drawings.
2. **WWTP Improvements** - Construction is ongoing.
3. **Lake Of the Woods LS CRS** – Construction is ongoing
4. **WWTP Lagoon Dredge** - AQUAFIX treatment added to lagoons. Observing its impacts.
5. **Northward Expansion Design** – IEPA Permit received. Discussing constructing a “phase 1” project with Chapin Rose and Mary Miller’s offices. Need to complete easements negotiations.

C. Project Manager’s Report – Calvin Florey

WWTP Improvement Project:

He reported on the project's progression, noting that while the front lagoon remains empty, the other lagoons are approaching capacity. Water discharge will be necessary and, given recent progress, this operation should be feasible in the near future.

Crosswinds Estates Status:

Mr. Florey addressed recent issues with stand pipes and water leaks in Crosswinds Estates resulting from cold weather conditions. He noted that CWE management is actively working to resolve these weather-related problems.

D. REMCO Security Monitoring Service Presentation – Brad Waller

Mr. Waller presented his credentials and extensive background in the security industry. He outlined REMCO's proposed security services and associated costs for the district. During the subsequent Q&A session, board members' inquiries were thoroughly addressed to their satisfaction. Chairman Wygant appreciated Mr. Waller's presentation and indicated the board would follow up regarding their decision.
